

Conversations about what we want for our school

7:00-8:30 pm Wednesday 18 September 2013

OR

9:15-10:45 am Thursday 19 September 2013

What do you want your children to gain from our school?

What do you value about our school?

What do you want our school to be in the future?

Please help us shape the future of XXX Public School. The School, in partnership with the P&C (Parent and Citizens Association), is hosting some relaxed, informal conversations about what we want for, and from, XXX Public School.

Everybody connected with the school is invited. Parents, nans & pops, uncles & aunts, older siblings, or anybody else who cares about a child at XPS is welcome.

Unfortunately we cannot offer child care, but if you need to bring a child with you, you will still be very welcome.

The conversations will be facilitated by Graeme Stuart from the Family Action Centre, The University of Newcastle, who is also the father of Name (in class) and Name (who was at the school for seven years).

If you have any questions please don't hesitate to contact the Principal (phone) or Graeme (phone).

Please help us with planning by letting us know if you will be able to make it.

We hope you will be able to join us at one of the two sessions.
